CAMPAIGN CONTRIBUTIONS.

The democratic national committee is preparing to announce next week the amount of its campaign fund and the amount of its campaign fund and the individual contributors of amounts of \$100 and over. The lists, which have been compiled to date and sent to New York from Chicago, show that the campaign fund is a little over \$220,000. Of this fund something over \$180,000 has been collected from contributors, which, with \$42,000 of the Denver convertion fund, is the total fund now in the democratic tressury. It was learned that there had been 14 individual contributors of \$1,000 each. The Denver headquarters of the national comver headquarters of the national com-mittee has collected \$5,000, which is said to include a check of \$1,000 from former Senator William Clark, of Montans. The smallest contribution re-

mail from Monroe, Wash.

The wajor part of the democratic campaign fund has come from dollar contributions from the democratic press,

which started campaign subscriptions.

The fact that Andrew Carnegie has contributed \$20,000 to the campaign fund of the republican national committhe was announced yesterday by State Chairman Woodruff, Mr. Woodruff also announced that Mrs. Russell Sage has contributed \$1,000 to the same fund. There have been no other large contributions from individuals, Mr. Woodruff said, but small some are coming in from various sources.

TO BE WRECKED.

The old schoolship St. Marys, which for 23 years was used for the marine school of New York city, was towed past City Island Thursday on her way

to Boston to be torn to pieces.

The St. Marys was built in the Washington navy yerd in 1848 as a third-lass sloop-of-war and equipped with 20 cuns. She was christened after the county in Maryland. She long age set the example for the Pacific fleet in ne example for the Pacific fleet in rounding the Horn and going up the sest coast. This was in 1848. During the civil war, she was attached to the Pacific fleet off Panama. She sailed more than 300,000 nautical miles under her own capyas. She was built to chase slavers. The St. Marys was one of the fastest sailing vessels aflost, and two years ago did better than 250 nautical miles in one day.
